1	Approve Merger Agreement	G	Mgmt	For	For

The Shyft Group, Inc.

Proposal Number	Proposal Text	ESG Pillar	Proponent	Mgmt Rec	Vote Instruction
<p><i>Blended Rationale: The board of the Shyft Group seeks shareholder approval for the company to combine with privately-held, Aebi Schmidt Group, in an all-stock merger. Under the terms of the agreement, SHYF shareholders will exchange each SHYF share for 1.0402 shares of the combined company's common stock. Upon the closing of the deal, the company will continue to trade on NASDAQ and SHYF shareholders will own 48.0% of the combined company. As Aebi Schmidt is a private company, the market value of SHYF shareholders' stake in the combined company cannot be conclusively determined. There appears to be a reasonably compelling strategic rationale for the deal, as the combination will create a larger company with more diverse product offerings and market exposures, with greater revenue and net profit on a pro forma basis than otherwise realized by SHYF on a standalone basis. Unanimous board support with fairness opinion from Deutsche Bank.</i></p>
