	Blended Rationale: The board of Penumbra, Inc. is seeking shareholder support for the company to be acquired by Boston Scientific Corporation (BSX). Under the terms of the agreement, Penumbra shareholders will receive either $374.00 per share in cash or 3.8721 BSX shares of common stock per Penumbra share at their election. The consideration represents a premium of 18.4% to the unaffected price and a premium of 32.5% over Penumbra's stock price two months prior to the deal's announcement. Penumbra will enable BSX to expand into new market segments with its thrombectomy and embolization portfolios adding an accretive growth asset to an already strong BSX.
