The Brink's Company

Meeting Date: 30/06/2026 **Country:** USA **Ticker:** BCO
Record Date: 11/05/2026 **Meeting Type:** Special

Proposal Number	Proposal Text	ESG Pillar	Proponent	Mgmt Rec	Vote Instruction
1	Issue Shares in Connection with Merger	G	Mgmt	For	For
	Blended Rationale: The board of BCO is seeking shareholder approval for the issuance of shares in connection with the company's acquisition of NCR Atleos Corporation (NATL), an industry-leading financial technology company providing self-directed banking solutions to a global customer base including financial institutions, merchants, manufacturers, retailers, and consumers. Under the terms of the agreement, NATL shareholders will receive $30.00 per share in cash and 0.1574 BCO common stock per share, which was valued at $51.34 per share, or $3.8 billion in aggregate, at announcement. The merger consideration represents a premium of 22.6% over NATL's unaffected price, but BCO's shares have declined since the deal's announcement. Because the exchange ratio of the equity received is fixed, the effective premium offered to NATL shareholders has declined as well. As of June 24, 2026, the value of the merger consideration has decreased to $45.15 per share, representing a premium of 7.9% over NATL's unaffected price. The proposed acquisition would expand the company's business into ATM Managed Services and Digital Retail Solutions, broaden its addressable market, and create a more vertically integrated cash and ATM platform with enhanced customer offerings. In addition, BCO views NATL's footprint, technology, and installed ATM network as highly complementary, enhancing BCO's geographic reach, network density, and operating scale. Following the closing, BCO shareholders are expected to hold approximately 78% of the combined company (and NATL shareholders ~22%). BCO expects earnings accretion, increased free cash flow, and improved long-term growth, supported by approximately $200M of anticipated cost synergies within three years. Unanimous board support with fairness opinion by Morgan Stanley.

5.1	Elect Hans Dieter Poetsch to the Supervisory Board	G	Mgmt	For	Against
	Blended Rationale: [LN-M0201-007] As nomination committee member, responsible for lack of independence. [LN-M0201-002] Nominee serves as Chair of the board where we have concerns regarding the board structure. [SF-M0201-020] Vote against compensation committee member because pay is not properly aligned with performance and/or peers. [LN-M0550-001] Remuneration arrangements are poorly structured. [LN-M0201-010] Vote against director due to board composition being an outlier compared to market norms/standards. More perspectives in the boardroom may lead to better risk management and identification of business opportunities. [RU-M0201-005] Length of proposed tenure exceeds typical market standards without rationale provided by company.				
5.2	Elect Susanne Wiegand to the Supervisory Board	G	Mgmt	For	Against
